

## TAKEAWAY MENU

At Hispania we are proud to be the leading ambassador of Spanish gastronomy in Belgium and also to have received the 2019 Restaurant of the Year in Belgium prize from the Guia Delta. So that you can now enjoy at home a large number of the dishes upon which our reputation has been established, we have prepared this “Takeaway Menu”. With time and feedback from our customers, this menu will continue to evolve as, ultimately, it is you that encourage us to continue to improve on a daily basis.
